

Dormanstown Primary Academy

Home Learning – Autumn 2019

Year 6
16/9/19

Project: Make a Gas Mask

Using a variety of materials to make a Gas Mask that would have been suitable to use in WW2.

Can you take inspiration from pictures that can be found on the internet or in books.

Use the internet to research and inspire you. You could even write a short paragraph explaining what your creation includes. Think about why you used the colours or materials you did, or why you chose to create the shape you did.

Hand in date: 24.10.19

During this term, all children in Year 6 will be basing all of their learning around the topic of 'World War 2'. This will be the focus until Christmas. We have listed a number of activities which could be done over the term in order to engage your child even further.

This home learning is for the rest of the half term. This is not compulsory but children are encouraged to complete the tasks and bring back to school on the specified date.

The 'Project' is an opportunity for children to complete with help from their family and friends and build on completed in class.

Projects will be on display in the classroom and in the academy.

Reading is an essential part of your child's development; please also visit the local library so that your child is able to choose books which particularly interest them around the above theme.

+

Activity	
1	Write a diary extract from the point of view of a child who has been evacuated.
2	Write a poem about the war.
3	Use shading to create a picture of the evacuee children on board the trains.
4	Bake a wartime cake.
5	Create a collage depicting the Blitz.
6	Create a graph to show the different groups of people who were evacuated.

Thank you for your continued support.
