

EYFS Spring
Term 2 2020

Project ideas

To continue our learning, we would like you and your child to make a model.

You could choose from the ideas below or follow your child's interests.

A Dragon.

A Dragons Egg.

A model based on 'We're going on a Bear Hunt'.

A model based on 'Jack and the Beanstalk'.

You could make this from junk materials or construction.

Dormanstown Primary Academy Home Learning

During Spring Term 2, our learning will be based on our topic:

Did Dragons Exist?

We will be reading 'We're Going on a Bear Hunt', 'There's no such thing as a Dragon' and 'Jack and the Beanstalk'

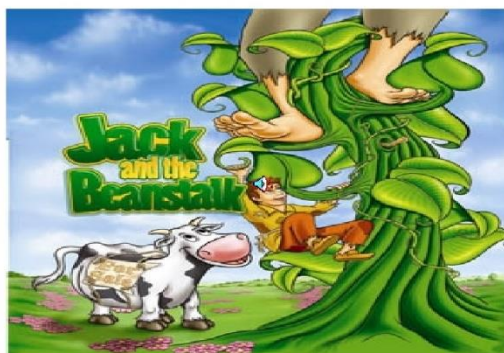

Our focus will also be on the seasons, moving from winter into spring.

Special dates this term include: Shrove Tuesday, and Easter Dates.

This home learning is for the next 6 weeks. This is not compulsory but children are encouraged to complete the tasks and bring the project back to school on or before Monday 30th March.

The 'Project' is an opportunity for children to complete with help from their family and friends and build on work done in class each week.

Projects will be on display in the entrance to nursery, where everyone who visits can view the talent we have here at Dormanstown!

Activity

How many of these activities can you complete before half term?

Story reading and telling- To read and retell 'We're going on a Bear Hunt' or 'Jack and the Beanstalk'.

Art idea – Paint or draw a picture of your favourite story character.

Geography idea – Learn your own address.

British Values –To learn to be respectful towards you family and friends.

Thank you for your continued support.

The Nursery Team
