

Dormanstown Primary Academy

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures of the work you have done on our [Facebook](#) page or email TVEDormanstown@tved.org.uk.

Please continue to read daily, this is the key to future success.

Remember to log onto Times Tables Rock Stars and Spelling Shed - we are announcing the league tables each week!

Maths	https://whiterosemaths.com/homelearning/year-2/ Year 2 – Summer Term - Week 1 – Fractions Watch the video clip for each lesson and then complete the activity sheet. Parents – answers are also provided.
Reading	https://www.oxfordowl.co.uk/api/interactives/27297.html Open the story – Eric’s Talking Ears. Talk about the tricky words at the beginning of the text, and discuss the clever clues. Read the story then answer the ‘think back’ questions on the final page. When you have answered the questions look at the section ‘What next?’
Writing	Your teacher would love to hear from you! Write a letter to your teacher telling them what you have been doing and all of the things you are missing. Email your letter to the address at the top of the page and you may even get a response!
Wider Curriculum	I would like you to create a ‘materials monster’ using recycling and everyday materials, this could also include Lego and building blocks. Using boxes and packaging create a ‘letter box’ mouth. Throughout the week, post items through your monsters mouth. At the end of the week, take all the items out of your monster and group them into different everyday materials (metal, wood, plastic, paper, fabric etc)
Academy Challenge	Can you gather one thing that starts with each letter of the alphabet and collect them on one dinner plate – nothing bigger. Send your photos in, I can’t wait to see.
