<b>Writing</b>	<p>This week's story is about an adventure from a computer game. Think about your favourite game- it might be a computer game or a game outside (football?) or a board game (snakes and ladders). Write a story based on that game. You could even type it up on the computer.</p>
<b>Wider Curriculum</b>	<p>History- When we go back to school we will be learning about the Vikings. Find out what the Viking invaders wore. Make a shield or a helmet. Take a photograph, then imagine you are in the boat you made last week.</p>
<b>Academy Challenge</b>	<p>Before the lockdown, we were looking at changing our school slogan and logo. Could you come up with a catchy and powerful slogan that sums up our school and what we believe in? Send us a photograph of you holding up your idea! Will your slogan end up on our uniform?</p>
