Read the book then answer the questions on the final page. Once you have completed the questions, re-read the story to improve your fluency.
Writing	Listen to the Book Club story 'The Cloudspotter' by Tom McLaughlin. Research information about clouds. Can you make a poster to tell others about the different types of clouds. <div style="display: flex; justify-content: flex-end; margin-top: 10px;">   </div>
Wider Curriculum	<u>Computing</u> Use a camera (it could be on a phone or tablet) to take pictures of different cloud formations. Ask someone else in your house to guess what image you see.
Academy Challenge	Let's have a laugh!!! Can you tell us your favourite joke? Either film yourself and send it to your class email (we will then post on Facebook) or write it out and take a picture of yourself holding it and send it straight to us via Facebook. We will tell our favourite 3 jokes in the celebration assembly on Friday!

Year 1 Book Club

Our book is 'The Cloudspotter' by Tom McLaughlin
 Listen on your phone, tablet or laptop - in bed, in the bath,
 in the garden or just relaxing on the couch!

Have you ever looked up at the sky to see a whole new world developing in the clouds? There isn't a single cloud that Franklin can't spot - big ones, small ones, silly ones, sneaky pretend-they-can't-see-you ones. But when Scruffy Dog comes along, things begin to change for Franklin. How can he concentrate on cloud spotting when Scruffy is such a distraction? And what's more important - his hobby or his friend?
