

EYFS

15.6.2020

Hello Nursery, I can see from the photographs you are emailing me that you are doing lots of home learning and you are having fun with your families.

Please message pictures of the academy challenge to our [Facebook](#) page and email work to me on RDTNDormanstown@tved.org.uk

Praise and Share

Amber for her amazing polar ice experiments.

Grace for her gorgeous seaside picture and writing.

Joey M for his amazing number writing and number hunt.

Freya and Myla for their fantastic water measuring activities.

Take care and keep having fun! Mrs Boyes

Subject	Nursery Learning Challenges
P.E.	I did one of Oti's dances I found on YouTube last week. It was a dance from 'Wicked'. It was nice and slow and repetitive so even I could follow the movements. I know Amber has been getting very fit by jumping on her trampoline! Send me a picture or short video clip of yourself doing your favourite exercise. Exercising daily really does make you feel happier and it's fun too!
Maths	This week learn the colour blue. Can you find things that are light blue and dark blue? Recognise and read numbers 0, 1, 10 and 11. Can you write them down or draw them with your finger? Find and name a circle and learn that it has 1 curved side.
Writing	This week practise making and writing your first name in as many different ways as you can. You might want to focus on the first letter of your name. If you can do this already write your surname. Try saying the letters in your name aloud. Try writing your name for a purpose. You could make a sign for your bedroom door or make a special card for someone and write your name inside,
Reading	Look on YouTube Read Write Inc. set 1 sounds. Watch the video of the little girl saying all of the sounds correctly. Try to join in daily so you don't forget them! This week's sounds are m a s d t i Use the letters to make, spell aloud, write and read the words a, at, sat, and mat. Ask an adult to sound out the letters below. j-u-m-p, r-u-n, h-o-p, j-o-g, f-r-ee-ze. After listening to the sounds blend them together and do the action for each word. Did you guess them all?
Wider Curriculum	Can you make your very own Incy Wincy Spider. Look at pictures or real spiders to help you with your design. Did you make your spider with the correct number of legs? Use your spider to help you sing the rhyme Incy Wincy Spider. Take a picture or short video and email them to me. You might get a shout out in Mr Long's Friday assembly. If you haven't seen the assembly yet look on our Facebook page it will definitely make you smile.
Academy Challenge	Let's have a laugh!!! Can you tell us your favourite joke? Either film yourself and send it to your class email (we will then post on Facebook) or write it out and take a picture of yourself holding it and send it straight to us via Facebook. We will tell our favourite 3 jokes in the celebration assembly on Friday!

This week's book is 'Wheels on the Bus'. It is a collection of 22 rhymes.

Incy Wincy Spider is Chapter 6.

Remember to check the academy website and Facebook for daily updates.
