

Dormanstown Primary Academy

Home Learning

EYFS

8.6.2020

Hello Nursery,

I hope you are all well. What a lot of rain after such beautiful weather at half term
The work I am receiving is absolutely amazing. You all look so grown up!

Please message pictures of the academy challenge to our [Facebook](#) page and email work to me on RDTNDormanstown@tved.org.uk

Praise and Share

Thomas for the fantastic drawing and writing he did for his dad!

Myla for brilliant name writing in the sand when she visited the beach!

Grace for all of the very kind things she said and wrote about her family.

Amber for doing an incredible amount and variety of learning this week!

Freya for the wonderful fairy garden and learning through nature.

Keep safe and happy everyone. Mrs Boyes

Subject	Nursery Learning Challenges
P.E.	Try a new exercise this week. I started riding my bike last week and had forgotten how much fun it is. It doesn't matter what you choose to do just keep being active! Exercising daily really does makes you feel happier and it's fun too!
Maths	Ask everyone in your family what their favourite number is and write the numbers down if you can. Which number was the biggest and which one was the smallest? Hide numbers 1 to 10 around your house or garden. When you have found them all put them in sequence. Write the numbers 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 twice on paper, leaves or stones. Play pairs by picking 2 numbers up at a time. Can you find two the same?
Writing	Draw a picture of 4 things you might find or use at the seaside. Try to write the beginning sound of each object you have chosen. You could choose: bucket spade ice cream fish. You will learn the beginning sounds of words. For example bucket begins with b and spade begins with s. You could even play I spy with my little eye again.
Reading	Look on youtube Read Write Inc set 1 sounds. Lovely video of a little girl saying them all your child could watch it and join in daily. m a s d t i n p g o c k u b f e l h r j v q u w x y z Keep practising them as you will need to know them in Reception. Ask an adult to sound out the letters in these words. Sh-e-ll f-i-sh s-a-n-d sh-i-p s-w-i-m When you have listened to the sounds, blend them together, and guess the word sounded out. If you get them right try some different ones.
Wider Curriculum	Fill a bucket or a bowl with water. Put some containers in the bowl and fill and empty them. Find out which container holds the most water and which one holds the least. Have fun finding out and don't get too wet! Send me a picture of your experiment.
Academy Challenge	Make a friends day! Write a short message to one of your friends saying how much you miss them! Take a photo of yourself holding it and we will post it on our page. It is good to spread some love!

Enjoy learning your letters with the help of songs!

Sing along to your favourite tunes – while learning the alphabet too!

Remember to check the academy website and Facebook for daily updates.
