Wider Curriculum	Let's go for a walk. On your journey, you will see lots of ECOSYSTEMS. Take a picture of just one ECOSYSTEM that you feel confident enough to discuss and explain. When you get home, your task is to explain how the ORGANISMS survive in it. Present however you'd like: video, report, pictures or even a model.
Academy Challenge	Make a friends day! Write a short message to one of your friends saying how much you miss them! Take a photo of yourself holding it and we will post it on our page. It is good to spread some love!
