

# Dormanstown Primary Academy

2A  
6.7.20

Special congratulations this week to:

**HONKER** - Darcie Bonas- who has settled into the academy well this week, working particularly hard on her spelling activities. Well Done!

**PRAISE AND SHARE** - Eric Brotton- coping with change well, working hard on his activities and being a good friend.

Please message pictures of the academy challenge to our [Facebook](#) page and email work to [RDT2ADormanstown@tved.org.uk](mailto:RDT2ADormanstown@tved.org.uk).

Parents - answers are also provided.</p>
<b>Reading</b>	Seahorses live near the top of the ocean where they can enjoy lots of sunlight. There are different names for different layers of the ocean depending how deep you go. With an adult's help do some reading online to find out the names of the layers of the ocean.
<b>Writing</b>	Do some research on Seahorses! Find some interesting facts. Remember neat writing, capital letters and full stops.
<b>Wider Curriculum</b>	Make, draw or paint a creature that lives under the sea. This can be a creature that you have learned about or one that you have created in your imagination. I look forward to seeing your creations!
<b>Academy Challenge</b>	The Great Dormanstown Bake Off!! We have seen some lovely baking over the lockdown but this time the challenge is on.....who can bake the most imaginative cake by Friday? Send us your entries through facebook. We can't wait to see them!
