

Thursday 11th January, 2018

Dear Parent/Carer(s),

We as an Academy are striving to engage our children to improve their enjoyment of sport and fitness in as many ways as we can. There will be new Physical Education sessions beginning on a morning from 8am and think this would be a perfect way to start the day for the children.

The sessions would be as fun as possible and we are looking at exercises such as boxing, hand eye coordination and other health related fitness sports.

The following clubs are available from 8am, free of charge, this half term. Clubs start on Monday 15th January 2018.

Day	Club	Available to
Monday, 8am – 8:40am.	Dodgeball.	Key Stage 2 Children
Tuesday, 8am – 8:40am.	Boxing.	Key Stage 2 Children
Wednesday, 8am – 8:40am.	Table Tennis.	Key Stage 2 Children
Thursday, 8am – 8:40am.	Health Related Fitness.	Key Stage 2 Children

Last half term this idea was trailed and was very successful for Dormanstown Primary Academy children. Your child will learn new skills surrounding their own health and fitness to improve them further in Physical Education and other sports they are involved in.

The clubs are due to start on Monday 15th 2018. **Can you please make sure you complete the consent slip in full and return to Mr Campbell as soon as possible.**

Please note that children will be required to wear an appropriate P.E. kit (including shoes) for sports clubs and ear rings must be removed.

Kind regards,

Mr Campbell
Sports Lead
