

Year 2
16/9/19

Project: Make a Model

Make a shoebox model of Pudding Lane and the Great Fire of London.

Or

Make your own model of a house in London during 1666.

Or

Make your own model of a London landmark that you might still see today.

Hand in date: 4.11.19

Dormanstown Primary Academy

Home Learning – Autumn 2019

This first half term, our project is based around History and The Great Fire of London. We will look into the past and what happened in London over 350 years ago. We will also be building houses in Design and Technology and painting silhouette pictures in art.

This home learning is for the next 6 weeks. This is not compulsory but children are encouraged to complete the tasks and bring back to school during the last week of term or straight after half term.

The activities are an opportunity for children to complete with help from their family and friends and build on work done in class.

Reading is an essential part of your child's development; please continue to read with your child at least four times a week and make sure that reading books and book bags are returned to the academy every day.

Children will also be bringing their spelling homework on a Monday on a Look, Say, Cover, Write, Check sheet. These will be based on the Read, Write, Inc. spellings that they have been working on. Please practise each night and return to the academy on a Friday.

The Great Fire of London Activities

- Create a map of the main streets and landmarks in London – show where the fire started.
- Design a job advertisement for a fireman.
- Design a wanted poster for the person who started the fire.
- Design a health and safety poster to promote fire safety.
- Draw a portrait of King Charles II.

Thank you for your continued support.

Mrs Wilson, Miss Eden and Mrs Berry
