## Home Learning – Spring 2

Key Stage 2  
2H  
Spring 2020

### Project: Make a Model

Make a model of a plate of food.

Use different materials and skills to create a plate of food.

Hand in date: 31.03.20

This half term our work will be based around 'Food'.

This home learning is for the next 6 weeks. This is not compulsory, but children are encouraged to complete the tasks and bring back to school on the specified date.

The 'Project' is an opportunity for children to create work with help from their family and friends and build on work done in class.

Reading is an essential part of your child's development; please also visit the local library so that your child is able to choose books which particularly interest them.

Activity	
Week 1	Make a poster to promote your favourite computer game
Week 2	Draw or paint a picture of a flower or plant
Week 3	Plant some seeds
Week 4	Make a sandwich and take a photo of it
Week 5	Eat 3 different vegetables
Week 6	Make a hard-boiled egg into a model

Thank you for your continued support.
