Project: Make a Model

Make a model of a
stone age house

Hand in date: 2.12.19

This term our work will be based around 'Stone Age to Iron Age'

This home learning is for the next 10 weeks. This is not compulsory but children are encouraged to complete the tasks and bring back to school on the specified date. We do need the books back in school.

The 'Project' is an opportunity for children to complete with help from their family and friends and build on work done in class this week.

Reading is an essential part of your child's development; please also visit the local library so that your child is able to choose books which particularly interest them.
