

Year 4/5
24/02/20

Project: Make a train from
the 1800's

We would like you to visit a key place within the local area, take pictures, locate it on a map and identify the physical and human features.

These places include;

North Yorkshire Moors
Eston Hills
Eston Nab
River Tees
Saltburn
Redcar
Teessmouth
Roseberry Topping.

Dormanstown Primary Academy

Home Learning –Spring 2 2020

During this term, all children in Year 4/5 will be focusing on Geography in particular the North East. We will be looking at hills, rivers and the coastline. They are also going to be focusing on both the human and physical features that are in the local area.

This home learning is for the next 5 weeks. This is not compulsory but children are encouraged to complete the tasks and bring back to school on the specified date.

The 'Project' is an opportunity for children to complete with help from their family and friends and build on work done in class this week.

Reading is an essential part of your child's development; please also visit the local library so that your child is able to choose books which particularly interest them.

Activity	
Week 1	Name the towns that the River Tees passes through.
Week 2	Draw and map out the River Tees from the source to the mouth.
Week 3	Visit Redcar beach and draw 2 physical features and two human features.
Week 4	Look at the weather for one week. Predict the next week's weather and create a weather forecast.
Week 5	Use the photograph from your visit to a key area and create a piece of artwork on the photo.
