This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures of the work you have done on our [Facebook](#) page or email TVEDormanstown@tved.org.uk.

Please continue to read daily, this is the key to future success.

Remember to log onto Spelling Shed to complete the weekly assignments-we are announcing the league tables each week!

Wider Curriculum	Research different bridges along the River Tees e.g. Newport Bridge, The Infinity Bridge and Yarm Viaduct. Identify any similarities and differences between the bridges. Think about the material they are made from and the shapes the architect has used. Talk to an adult the features you like. Design and build your own bridge. Please just use anything you can find – toilet roll tubes, stones, spaghetti, wooden blocks, Lego.
Academy Challenge	Can you gather one thing that starts with each letter of the alphabet and collect them on one dinner plate – nothing bigger. Send your photos in, I can't wait to see.
