<b>Maths</b>	Number hunt – can you find all the numbers to 10 in order around your house? You can't look at a clock face, that is cheating! They have to be in different places. Can you write all the numbers to 10 in order and the right way round! Copy first, then practise writing from memory.
<b>Reading</b>	<p><b>Please watch Ruth Miskin Set 2 sounds on YouTube at 10.00 every morning.</b></p> <p>Keep practising “ar – start the car” “or – shut the door”</p> <p>Read <span style="color: green;">part sharp hard</span>                      <span style="color: green;">fork short sport</span></p> <p>This week, please practise reading these tricky red words</p> <p style="text-align: center; color: red;"><b>your    of    her    no    go</b></p>
<b>Writing</b>	<p>Can you draw a picture of what you like to do outside in your garden when it is sunny? Write 3 sentences to explain what you are doing. Don't forget to add finger spaces, use a capital letter to start your sentence and a full stop to end it. Have a go writing all by yourself, you can do it! </p>
<b>Wider Curriculum</b>	<p>Make up an exercise circuit to keep everyone in your family fit! Get someone to help you write or draw each exercise on paper or even with chalk on the floor outside. Write a number next to the exercise to show how many of each exercise you must do. Challenge your family to have a go. Who is the fittest? You could make medals using a circle and string using 1st, 2nd and 3rd. Have fun!</p>
<b>Academy Challenge</b>	<p>For a bit of fun.....find a baby photo of yourself and send it to us on facebook or email. We will post it on our page and ask all of your friends in Dormanstown to guess who it is!!</p>
