<b>Reading</b>	<a href="https://www.oxfordowl.co.uk/api/digital_books/1417.html">https://www.oxfordowl.co.uk/api/digital_books/1417.html</a> Open the story – The Magic Paintbrush. Talk about the new vocabulary at the beginning of the text. Read the book then answer the questions on the final page. Once you have completed the questions, re-read the story to improve your fluency.
<b>Writing</b>	Listen to the Book Club story 'The Cloudspotter' by Tom McLaughlin. Research information about clouds. Can you make a poster to tell others about the different types of clouds. <div style="display: flex; justify-content: flex-end; gap: 10px; margin-top: 5px;">   </div>
<b>Wider Curriculum</b>	<u>Computing</u> Use a camera (it could be on a phone or tablet) to take pictures of different cloud formations. Ask someone else in your house to guess what image you see.
<b>Academy Challenge</b>	Let's have a laugh!!! Can you tell us your favourite joke? Either film yourself and send it to your class email (we will then post on Facebook) or write it out and take a picture of yourself holding it and send it straight to us via Facebook. We will tell our favourite 3 jokes in the celebration assembly on Friday!

**Year 1 Book Club**

Our book is 'The Cloudspotter' by Tom McLaughlin  
 Listen on your phone, tablet or laptop - in bed, in the bath,  
 in the garden or just relaxing on the couch!

Have you ever looked up at the sky to see a whole new world developing in the clouds? There isn't a single cloud that Franklin can't spot - big ones, small ones, silly ones, sneaky pretend-they-can't-see-you ones. But when Scruffy Dog comes along, things begin to change for Franklin. How can he concentrate on cloud spotting when Scruffy is such a distraction? And what's more important - his hobby or his friend?
