Reading	See Link
Writing	What have you been making whilst you have been off? Cakes? Cookies? Meals for the family? Planting and growing vegetables? Looking after tadpoles or other creatures? Write a set of instructions for your friends to follow to help them make or do what you have been doing during lockdown. Use bossy verbs and draw illustrations to go with it.
Wider Curriculum	Geography this week: Where are we on the map? Which country do we live in? What continent are we on? Which region? Look at maps of the UK and the world and discuss with someone what you know and answer the questions. Search on the internet for a 'Continents Song' to help you remember the continents of the world.

	We have learnt in history that the Vikings came from Scandinavia. Do you know which countries make up Scandinavia?
