Reading	See Link				
Writing	Make a fact file on how you have kept safe during lockdown. Use illustrations and label				
	to make your fact file stand out.				
Wider Curriculum	Science:				
	Where do we get light from? Do materials give us light?				
	Test which materials/objects around your home reflect light. Shine a torch from different angles				
	onto the object and record your findings.				
	What happens if we shut the blinds, switch off all the lights and turn off the computer screens?				
	(Should recognise that these sources of light will make it dark and the shiny objects we identified				
	will not have any light to reflect.)				
	will not have any light to reneed,				

Academy Challenge The Great Dormanstown Bake Off!! We have seen some lovely baking over the lockdown but this time the challenge is on......who can bake the most imaginative cake by Friday? Send us your entries through Facebook. We can't wait to see them!

Year 3 Book Club

Our book is Alice's Adventures in Wonderland Listen to chapter six and seven

Listen on your phone, tablet or laptop - in bed, in the bath, in the garden or just relaxing on the couch! **Enjoy!**
