Reading	Read a book at home of your choice, and create a book report. This could be written or recorded. Some things you could discuss are: What did you enjoy? What didn't you enjoy? What are the characters like? Why are they like that? Who is your favourite character? Did you like the author? Are there any books similar you have read or want to read as a result of this book?
Writing	Fairy Tales. Write your own version of Goldilocks and the three bears. It could be presented as a story, a news report, a diary – anything you like.
Wider Curriculum	Thinking about Growth Mindset and PSHE, create a list of everything you want to achieve in the summer holidays. It could be wake up early every day for a week, or try a new food. It's up to you! Create a table to record what your target is, when you completed it and how you felt afterwards.
Academy Challenge	The Great Dormanstown Bake Off!! We have seen some lovely baking over the lockdown but this time the challenge is on.....who can bake the most imaginative cake by Friday? Send us your entries through Facebook. We can't wait to see them!
