

# Dormanstown Primary Academy

## Home Learning – Autumn 2020

1T  
21/09/20

### Project:

Autumn Scavenger Hunt

### Autumn Scavenger Hunt

Let's have a competition!

Go on an autumn walk. Find as many autumn objects as possible from the list above. Send picture evidence.

Photos can be sent to the Year 1 email as soon as an activity is completed.

RDTY1Dormanstown@tved.org.uk

During the autumn term, 1T will be immersed in a broad range of subjects.

**Science** – Seasonal Change

**Geography** – Local Area Knowledge

**History** – Redcar/ Dormanstown Past and Present

**Art** – Angie Lewin Artist study

**Design Technology** – Cooking – Vegetable Soup

**Computing** - Coding

**PSHCE & British Values** – Friendship

**RE** – Religious festivals. What is Religion?

I have listed a number of activities which can be done over the term in order to engage your child even further. This is not compulsory but children are encouraged to complete the tasks. As we are currently limiting the items brought into the academy, we would be grateful if you could photograph the activities undertaken or work completed at home and send to the class email address please:

RDTY1Dormanstown@tved.org.uk

### Other activities:

How many of these activities can you complete before the end of the Autumn term?

#### Geography

- 1) Using google maps; locate your house and street. Zoom out to look at the town. Zoom out again to look at the United Kingdom. Talk about where Redcar/ Dormanstown is located.
- 2) Children to learn their house number and street name.

#### Science

- 3) Go for a walk in Foxrush. Can you see any signs of autumn?
- 4) Talk about your favourite season.

#### History

- 5) Look at family photos from the past, before they were born. Children to identify the oldest photo. Talk about significant events such as births, birthdays, weddings, christenings, Christmas. Use a picture of them as the most current photo.

**\*As part of the History Curriculum children will be required to sequence events in their own family. It would be greatly appreciated if you could start to think about photos which could be sent into school to use during these sessions. (5 photos)**

#### Design Technology

- 6) Let your child support you when cooking or baking. Talk about kitchen safety and hygiene. Can they name any of the appliances or utensils?

Reading is an essential part of your child's development; please remember to read **at least 4 times each week**. Your child will then receive a 'Golden Ticket' and be entered into the draw.

Thank you for your continued support.  
Mrs Theaker
