

B1R Autumn
Term 1 2020

Project ideas

To continue our learning, we would like you and your child to make a model of either:

Your house.

A police car or fire engine.

You could make this from a shoe box, cereal box or any other recycled container.

Have Fun!

Don't forget to send us a photograph of your model!

Please email any
photographs by:

Dormanstown Primary Academy Home Learning

During the Autumn Term, our learning will be based on:
Me and my friends.
People who help us.
Autumn and changes that happen in the natural world.

As we are currently limiting the items brought into the academy, we would be grateful if you could photograph the activities undertaken or work completed at home and send to the class email address please:

Activity

How many of these activities can you complete before half term?

Art ideas – Paint, draw or make a collage of yourself or of you and your family.

Our world ideas – To learn where you live and be able to recite your address.

To learn when your birthday is.

Make a list of all the people who help you at school and/or in the community.

Community idea – Visit the library, borrow some books and draw a picture about a favourite story.

British Values – To eat a traditional Sunday lunch or fish and chips with your family and take a photograph of this occasion.

Thank you for your continued support.
