

Year 2  
21/9/20

### Project:

- Can you make and label a map of Dormanstown Academy?

Or

- Can you learn the 'London's Burning' rhyme and make some actions to go with the words?

## Dormanstown Primary Academy Home Learning – Autumn 2020

During the autumn term Year 2 will be learning about and engaging in a range of activities throughout the curriculum. In Geography, we will be learning about the local area, the United Kingdom and the surrounding seas. In History, we will look into the past and what happened in London over 350 years ago during the time of the Great Fire of London. In Art, we will be studying the artist Friedensreich Hundertwasser, Science we will be looking at materials and their properties and also animals including humans and finally in DT we will be investigating and making a drawbridge open and close.

As we are currently limiting the items brought into the academy, we would be grateful if you could photograph the activities undertaken or work completed at home and send to the class email address please:

[RDY2RDormanstown@tved.org.uk](mailto:RDY2RDormanstown@tved.org.uk)

Children will also be bringing their spellings homework home on a Monday on a Look, Say, Cover, Write, Check sheet. These will be based on Year 2 spellings that they have been working on. Please practice each night.

#### Curriculum Activities

- Using a map, can you make a route from your home to the academy?
- Find some pictures of what London looked like before the Great fire of London. What is the same? What is different?
- Find some pictures of drawbridges. Is there any famous drawbridges? Do we still use drawbridges today?
- Experiment with colour mixing. What colours can you make?

Thank you for your continued support.
