This term our work will be based around 'Italy'.

This home learning is for this term. This is not compulsory, but children are encouraged to complete the tasks and then you can email me photos of any work.

The 'Project' is an opportunity for children to create work with help from their family and friends and build on work done in class.

Reading is an essential part of your child's development; please keep reading each night and talking about the book. Retelling in order with some detail is important.
