

Year 3 Curriculum

Dormanstown Primary Academy Home Learning – Autumn Term 2020

Activities	
Activity 1	Make a shelter in the woods with your family. Use sticks and other materials you can find laying around to build it.
Activity 2	Make a stone age necklace or any other jewellery you fancy!
Activity 3	Look at cave paintings from the Stone Age. Paint your own of similar animals or of your own animals. Use parcel paper to make it look like you painted onto a cave wall.
Activity 4	Imagine you live in a cave, write a paragraph describing what it is like.
Activity 5	Make a weather report for the UK. Use a blank map to add in weather symbols, what is the weather like in the different countries and the cities within them?
Activity 6	Make a clay pot using mud, how can you make it stick together and hold its shape?
Activity 7	Make yourself an exercise programme to follow 3 times a week. Get your family to join in with you to make it fun.
Activity 8	Help make a healthy meal for all the family one night. What did you have? Take photos and share with the class what you made.

Please email any work to RDTY3Dormanstown@tved.org.uk

We look forward to seeing your amazing project pieces!
