

# Dormanstown Primary Academy

**B3A**  
**23.11.20**

Well done to everyone who has sent me work this week! I have particularly enjoyed all of the letters I have received!

This week's Honker is Luca for superb effort in all of his Home Learning, I was particularly impressed by the video that he sent me about the Crow and the Peacock.

Praise and Share is for Heidi, I particularly was impressed by her comprehension work on Anne Frank

Email work to [RDT2ADormanstown@tved.org.uk](mailto:RDT2ADormanstown@tved.org.uk)!

|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                         | 2A                                                                                                                                                                                                                                                                                                                                                  |
| <b>Maths</b>            | <p>Maths- Miss Anderson's group. Complete problem cards 19, 20, 23, 24 and 25. Show your working out using symbols and pictures where appropriate. Present your solutions neatly and in an organised way.</p> <p>Mr. Stammer's group- Luca and Heidi- you have your Maths packs to continue on.</p>                                                 |
| <b>Reading</b>          | Complete the reading comprehension on Battling for the Skies.                                                                                                                                                                                                                                                                                       |
| <b>Writing</b>          | When you get back to school in our DT we are going to be doing a lot of baking! We are making things using pastry. Make a list of as many different things that are made with pastry. I will have a prize for the person with the longest list!                                                                                                     |
| <b>Wider Curriculum</b> | <p>Computing Challenge!</p> <p><b>IF</b> you can log onto SHOWBIE at home you will see a challenge. The Challenge is to take a photograph of yourself <b>READING</b> in an unusual place and send it to me via SHOWBIE. The Challenge is in the curriculum folder your code is EN9TN.If you can't get onto SHOWBIE- email me a photo instead. 😊</p> |
| <b>Class Challenge</b>  | Choose another Art and Design Challenge from our folder.                                                                                                                                                                                                                                                                                            |
